1 Matthew D. Schultz declares:

2 1. I am a partner at the law firm of Levin, Papantonio, Proctor, Buchanan,
3 O'Brien, Barr & Mougey, P.A. ("LP"). See Personal One-Page Résumé and Two-
4 Page Firm One-Page Résumé attached as **Exhibit A**. I submit this Declaration in
5 support of Plaintiff's Motion for Attorneys' Fees and Costs and Class
6 Representative Service Awards, and in connection with services rendered and
7 expenses incurred by my firm in connection with this Action.

8 2. I graduated with highest honors from Florida State University College of
9 Law in 2002, having earned 14 "book awards" and having served as Senior Articles
10 Editor for the FSU Law Review. I served a two-year clerkship in the U.S. District
11 Court for the Northern District of Florida (Hon. Robert L. Hinkle) before joining
12 LP in 2004. I became a shareholder in 2009. My career has included extensive trial
13 experience against the tobacco industry and in pharmaceutical and medical device
14 MDL litigation. I have served as a court-appointed member of Plaintiffs' Steering
15 Committees or Plaintiffs' Executive Committees in eight MDLs and have served
16 as bellwether trial counsel in three of those consolidated proceedings. Most
17 recently—in February 2026—I was appointed by the Honorable Richard Seeborg
18 to the Plaintiffs' Executive Committee for *In Re: Roblox Corporation Child Sexual*
19 *Exploitation and Assault Litigation*, MDL No. 3166 (N.D. Cal.), where I serve on
20 the Trial Committee and as Co-Chair of the Expert Committee. I have been
21 appointed as class counsel in seven class actions, including this action.

22 3. This action originated with LP and I have been the primary point of
23 contact for the class representatives from presuit to the present. LP was retained
24 and handled this case on a purely contingent basis, with no assurance of recovery
25 of litigation costs or attorneys' fees. My firm has received no compensation for the
26 outlay of attorney time or for the expenses it has incurred.

27

1 4. I have personally dedicated more than 1,000 hours to this case. Below is
2 a summary of the key tasks I handled over the past eight years from presuit through
3 the present:

- 4 a. investigated potential claims against Defendants, including review and
5 assessment of more than 100 scientific studies on glucosamine-
6 chondroitin supplements in humans and animals, which also involved
7 extensive consultation with a non-testifying expert statistician and an
8 expert in clinical study design and execution;
- 9 b. vetted and conferred extensively with potential class representatives,
10 including Justin Lytle and Christine Musthaler, before filing suit;
- 11 c. served as the primary point of contact with Mr. Lytle and Ms.
12 Musthaler throughout the litigation, which included well over 100
13 communications in connection with drafting and review of pleadings,
14 conducting and responding to discovery and keeping both up to date
15 with detailed discussions and e-mail explanations regarding
16 procedural and substantive aspects of the case during the roughly
17 seven years it has been in litigation;
- 18 d. principally authored the original and amended complaints and initial
19 discovery with input from co-counsel and participated in the drafting
20 of all subsequent pleadings, motions, responses, appellate briefs and
21 discovery (offensive and responsive);
- 22 e. served as the point person for virtually all conferrals and other contacts
23 with defense counsel through pre-mediation in early 2025, when co-
24 counsel Adam Edwards took lead for mediation purposes and in
25 subsequent settlement-related communications and filings;
- 26 f. served as the primary “handler” regarding retention and report drafting
27 for three of Plaintiffs’ four testifying experts (Drs. Budsberg, Dubé and

1 Evans (including defense of Dr. Budsberg's deposition) while
2 assisting with Plaintiffs' marketing expert Mr. Bruce Silverman and
3 serving as the primary contact for two undisclosed, non-
4 testifying/consulting technical experts;

5 g. first-chaired defense of Plaintiff Justin Lytle's deposition and second-
6 chaired defense of Plaintiff Christine Musthaler's deposition after
7 prepping both in coordination with co-counsel;

8 h. first-chaired the following depositions of defense witnesses:

- 9 • Defendants' Vice President of Quality Godwin Omorogieva;
- 10 • Defendants' 30(b)(6) representative Jeffrey Creech;
- 11 • Defendants' 30(b)(6) representative David Moore;
- 12 • Defendants' veterinary orthopedic expert Dr. Denis Marcellin-
13 Little; and
- 14 • Defendants' FTC/regulatory expert Howard Beales.

15 i. coordinated with co-counsel and participated heavily in drafting the
16 class certification motion and all subsequent briefing in the Ninth
17 Circuit Court of Appeals;

18 j. attended mediation in April 2025 with Mr. Edwards, resulting in a
19 settlement in principle of this action; and

20 k. worked on the Motion for Preliminary Approval of Class Action
21 Settlement (again, with Mr. Edwards taking lead) and attended two
22 hearings before this Court in connection with preliminary approval.

23 5. LP has expended a total of 1,745.5 hours from case inception through
24 April 8, 2026. The total lodestar for LP based upon current billing rates is
25 \$1,664,570.00.

26 6. The total number of hours was determined by the examination of daily
27 time records regularly prepared and maintained by LP. Class Counsel will expend

1 a significant number of additional hours bringing the settlement to completion.

2 7. LP hours are based on the usual and customary rates submitted in MDL
 3 proceedings. Most recently, LP submitted common benefit lodestar for these billers
 4 that was reimbursed at full value following settlement of *In re: JUUL Labs, Inc.,*
 5 *Marketing, Sales Practices and Products Liability Litigation*, MDL No. 2913
 6 (N.D. Cal., Hon. William H. Orrick), where I served as Co-Chair of the Discovery
 7 Committee and as bellwether trial counsel.

 19 8. As detailed in the spreadsheet attached as **Exhibit B**, LP incurred a total
 20 of \$343,824.59 in litigation costs/expenses. However, LP and co-counsel
 21 reconciled cost ledgers during the course of the litigation to smooth out the cost
 22 burden between LP and the Milberg firm. LP’s remaining *net total* of outstanding,
 23 unreimbursed costs/expenses is \$134,856.71.

Subtotal	\$343,824.59
Reimbursement for Cost Reconciliation (“Litigation Fund Assessment”)	–\$208,967.88
TOTAL NET OUTSTANDING	\$134,856.71

9. The costs/expenses reflected in Exhibit B are prepared from cost invoices, check records, and other source materials and accurately represent the costs/expenses incurred as recorded in the normal course of business.

10. Class Counsel necessarily must still: (1) prepare for and attend the Final Approval Hearing, including the research and drafting of the reply papers and responses to objections; (2) continue to respond to inquiries from Settlement Class Members; (3) oversee the Settlement through final approval of distribution of the common fund; (4) continue oversight of the Claims administration process, including addressing any Claim review issues; and (5) handle any appeals. Based upon experience, this could amount to several dozen of additional hours of attorney time.

11. LP has the experience, resources, and ability to adequately represent the Settlement Class Members in this class action lawsuit.

12. As reflected in the attached personal and firm résumés, I have extensive experience litigating complex single-event (injury) cases, class actions and multidistrict proceedings. LP has served in leadership in more than 75 MDLs and has been appointed as class counsel in 20 class actions (not including class appointments in class tracks within larger MDL proceedings). LP has obtained more than \$2.5 billion in jury verdicts, including more than 150 jury verdicts exceeding \$1 million. In the past several years alone, LP has assisted (in MDL leadership and as trial counsel) in recovering tens of billions of dollars in the extraordinarily complex Opioid and PFAS litigations as well as more than \$3 billion CAD for the Province of Alberta in the Canadian tobacco healthcare

1 recovery litigation, where I and another firm partner brought our extensive tobacco
2 litigation experience to assist Canadian counsel in Canadian litigation spanning
3 nearly 15 years.

4 13. As the attorney in this case who worked most closely with Plaintiffs Justin
5 Lytle and Christine Musthaler, I attest to the accuracy of the declarations (Dkt.
6 213-4 & 213-5) that the Court relied upon in preliminarily approving incentive
7 awards of up to \$7,500 each. (Dkt. 218 at 11.) Mr. Lytle and Ms. Musthaler
8 demonstrated passion and commitment to this case and both have remained
9 inquisitive and engaged from the first time we spoke about the (potential) case to
10 the present.

11 I declare under penalty of perjury under the laws of the United States of
12 America that the foregoing is true and correct.

13 Executed on this 21st day of April, 2026, at Taos, New Mexico.

LEVIN PAPANTONIO

Proctor ▪ Buchanan ▪ O'Brien ▪ Barr ▪ Mougey

In 1955, David Levin and Reubin Askew founded the law firm of Levin & Askew.

The two attorneys accepted virtually every case and were assisted by just one additional staff member. In 1961, David's brother Fred joined the firm, and he quickly became recognized as one of America's premier personal injury lawyers, achieving several multi-million dollar jury verdicts, including one in 1980 that was the largest compensatory damage verdict in U.S. history at the time.

Levin Papantonio (LP) is a 50-lawyer firm based in Pensacola, Florida. While maintaining a traditional local practice as it has for 70 years, the firm now enjoys a national reputation as a leader in mass tort and class action litigation.

LP attorneys have been appointed as lead counsel, class counsel, or as PEC/PSC members in more than 70 MDLs ranging from pharmaceutical/medical device litigation to environmental and securities cases. The firm is recognized for its ability to successfully resolve large MDLs.

LP also is known for the depth of its trial bench, which has won more than \$2.5 billion in jury verdicts, including more than 150 jury verdicts exceeding \$1 million. LP attorneys routinely serve as bellwether trial counsel in multidistrict litigation.

As a leader in the mass tort/class action space, LP hosts a semi-annual seminar (Mass Torts Made Perfect) that attracts more than 1,000 lawyers and judges to each event.

Despite maintaining a national class and mass tort practice, LP remains committed to its local community. To date, LP attorneys and employees have donated more than \$35 million and thousands of volunteer hours to charity and LP lawyers conduct a semi-annual "People's Law School" to educate local citizens regarding their civil and criminal rights.
